FREECODECAMP.ORG

Non-Profit Coding Bootcamp | 2020 - Present

ACALANES HIGH SCHOOL

High School Diploma | 2006 - 2010

ACCOMPLISHMENTS

- Developed an electronic repair report for wide-spread use throughout company, replacing paper reports that had been in use for over 20 years. Later received recognition from management for increased sales and customer relations generated by new reports
- Implemented new method of data sharing through cloud-service connected workstations, allowing information to be shared freely in real time between work-stations and decreasing time spent searching for hard copies
